Subject: Exemption of Entrepreneurship Development Training Programme (EDP) under JKREGP.

JKREGP guidelines envisage successful completion of Entrepreneurship Development Training Programme (EDP) by the JKREGP beneficiaries for disbursement of loan and release of Margin Money (subsidy). Divisional/District Officers of J&K KVIB reported that due to COVID-19 restrictions the EDP training institutes are not in a position to conduct EDP training programme of JKREGP beneficiaries as a result of which banks are not disbursing loan in favour of the said candidates. The issue was referred to the Administrative Department and J&K Government has exempted Entrepreneurship Development Training Programme in respect of the cases sanctioned under JKREGP upto 30th September 2020 in view of the present COVID-19 restrictions. The said exemption shall facilitate the financing banks to disburse loan and claim margin money on the JKREGP online portal. The Entrepreneurship Development Training programme of these candidates shall be subsequently arranged by the Board before March 2021.

Secretary/Chief Executive Officer

No. KVIB/JKREGP/ 824-32/2020
